Dear Colleagues,

On behalf of the Belgian Society of Infectiology and Clinical Microbiology (SBIMC/BVIKM) and the Belgian Society of Nephrology (BVN-SBN), we are delighted to invite you to a joint scientific meeting which will be held at the Conference Centre “Diamant” in Brussels.

We shall discuss the bridges between nephrology and infectious diseases.

On behalf of the boards of both societies, we are looking forward to welcome you during this symposium.

With best regards,

Camelia Rossi
Dirk Kuypers
